Canadian Warranty Pricing Guide

Longer term warranties have additional installation requirements and not all warranty terms are available for all roofing specifications. Please refer to the Firestone Building Products website for current Technical Information prior to bidding any warranted roofing project. You may also contact the Firestone Building Products Canada Technical Department at 1-888-292-6265 for further assistance in determining the technical requirements.

The following warranty options are available to Red Shield Contractors only!

All prices are in Canadian Dollars, Effective April 1, 2016.
